

Supervision (of Pupils)

1. Pupils' Arrival and Departure

The School is open from 8.00am and pupils, once they have arrived on the premises, are required to stay on the School premises. There is a designated classroom in the Junior Prep area (Y3-5) and in the Senior Prep area (Y6-8) to which they must report and wait until 8.30 am. There are staff present in the Senior School at this time, but the School can take no responsibility for direct supervision of pupils until 8.30am, unless they are taking part in a school activity. The Pre-Prep has its own early and late club arrangements.

Unless they are taking part in an approved activity, pupils should not remain on the School site after 5.10pm. Pupils who cannot be collected after School must go to Main Reception and join Late Club which is staffed until 6.00pm. All members of the teaching staff are expected to take their share of break and lunchtime supervisory duties, details of which can be found in the Staff Handbook and on Staffroom notice boards.

Arrangements are made to ensure pupils are supervised during, for example, parents' evenings and production rehearsals, or other events that bring small groups into school out of hours. Members of the PE /Games Department supervise pupils on both home and away matches.

All Pupils are expected to remain on site throughout the school day. If pupils are travelling home on School transport, they may not leave the school site at 4.00pm. All pupils who intend to leave the school at 4.00pm should sign out at the car park before making their way home.

During the course of a lesson, pupils are directly supervised by the member of staff teaching the lesson, who should not leave the room. Members of staff should not remove pupils from the room for disciplinary reason, but contact members of SMT for assistance. This can be done by sending a note or staff 'red card' with another pupil.

2. Registration

We take a register of pupils at the start of the morning and afternoon sessions. Parents are responsible for notifying the School if their child is absent for any reason. The School will always contact the parent if a child fails to arrive at School without an explanation. 'Groupcall' (a text messaging system) is used to notify a parent if a pupil fails to register without explanation.

3. Medical Support

There is a qualified nurse (Matron) on duty in the Surgery who is available to administer first aid, to deal with any accidents or emergencies, or to help if someone is taken ill. A number of members of the teaching staff and non-teaching staff, who are trained and qualified as First Aiders are able to give emergency first aid. First aid boxes are in all potentially high-risk areas, as well as in the Main Reception Office. (Matron regularly checks and replenishes the first aid boxes). Matron is the only person on the School site who can send a pupil home through illness – Matron will make all necessary calls and communications.

4. Supervision Whilst Travelling to and from School

Parents are responsible for ensuring that their children travel safely to and from school. Pupils are not supervised by a member of staff when travelling on the school buses but are expected to behave responsibly. We would always investigate complaints about poor behaviour. The School has a very healthy working relationship with both Solent Coaches and British Rail.

5. Supervision During Educational Visits

The arrangements for the supervision of pupils during educational visits and trips out of School are described in our Educational Visits Policy.

6. Unsupervised Access by Pupils

We ensure that pupils do not have unsupervised access to potentially dangerous areas, such as the swimming pool, the science laboratories, the design technology rooms, the school kitchens, the sound and lighting box in the PAC, etc. Doors to these areas are kept locked at all times when not in use. All flammables are kept securely locked in appropriate storage facilities.

Pupils are not allowed into the swimming pool without a qualified member of staff in charge, nor are they allowed to use gymnastic or athletic equipment without supervision. Pupils are expected to follow reasonable instructions given to them by teachers or by qualified leaders in adventurous activities.

Pupils do not have access to the PE Department sheds, the Pavilion, Catering and Caretaking areas of the School. Clear signs are displayed.

7. Duties

During the course of the School day, at break time, lunch time and after School, members of staff fulfil a supervision duty in various designated areas. A list of all areas and the requirements of the duty member of staff, are documented in the Staff Handbook and on Staff room noticeboards. For every duty area it is important that staff involved have a uniformity of approach and apply consistent sanctions where necessary. A meeting of staff on each duty should be arranged in September and January to agree on a common approach and sanctions. Where a duty also has Prefects allocated, members of staff should also liaise with them. At lunchtime, a lunchtime supervisor is also utilised in order to provide a heightened supervision during this time.

8 Staff Induction

All new members of the teaching staff receive a thorough induction into the School's expectations of the appropriate levels of pupil supervision.
