Mikey Jones MBE

Mikey loved his football but it has been in the pool that he has made his mark. In Rio 2016 he won the Gold Medal for the Men's S7 400m Freestyle in the Paralympic Games. He struck gold again in the S7 400m Freestyle at the European Championships last year, despite having surgery on his shoulder in the spring. sports, helping develop core strength, balance and coordination. He also enjoys windsurfing and wave sailing. This year Theo will compete in the British Wavesailing Association circuit, which takes place at 4 different locations in the UK. Wavesailing is essentially windsurfing with the added power of breaking waves, which enables competitors to add tricks which are graded by a panel of expert judges. Starting with the largest competition, Theo heads to Scotland to compete in a week-long event. Good luck Theo.
