Civic meeting with the mayor, Mr David Rice-Mundy.

This is an opportunity to meet with New Milton's Civic leader. We will listen to him talk about the profile of New Milton as a town, but I would also like us, as an Erasmus cross-cultural group, to ask him questions about how the ages mix in the town and what there is for the different age groups to do. Here are some examples of questions to ask:

1. Do you know if there is an ageing population in the town, or is there a broad mix of age groups?
2. Why do people choose New Milton as a place to live?
3. Our Erasmus+ project is all about age- bringing young and old together- how does this happen in New Milton?
4. Do you have a youth element to your town council- would you like to encourage more young people to have a say in how the town runs?
5. Are there particular industries or large (nearby) local employers? Who?
6. What is your main job as the mayor of New Milton?
7. Do you enjoy this role- what are the highlights?
