

BALLARD  
*arts*

A few years ago, Ballard School Choir performed 'Fly to Paradise' and composer, Eric Whitacre, used this amazing piece for one of his virtual choir projects, collecting videos of over 8,000 singers from around the world to put together in one performance. Now we want to produce a Ballard version!

We hope as many people will join in as possible; pupils, parents, alumni, staff, new families joining and friends of Ballard are all very welcome.

Warm up those vocal chords, and follow these steps to take part in this exciting project.

Register your interest by following this [link](#) and submitting a form; this does not commit you to anything but will enable us to contact you with more information!

The original track can be found here; [Eric Whitacre Virtual Choir 4 - Fly to Paradise \(cropped version\)](#)

Our aim is to have collected all our videos by Easter Monday, 13th April. Please pass this on to anyone you know connected with Ballard. No previous singing experience is needed. Have fun!

Mrs Gray and Mr P.
