

Loving Lower Prep...

Pupils and parents love being part of our Lower Prep. Here are a few of their reasons why.

“I like the teachers because they make you do things and be the best you can be.”

“The teachers are really nice and encouraging.”

“I like it because of the teachers, they are really encouraging and make you want to get better and if you are down, they are going to help you up and make sure you are alright.”

“You learn something new every day.”

“I love Ballard School because you can do lots of fun things like Food Tech and go to different places on school trips and concerts and I have lots of friends as they are kind people and like to play.”

“My favourite lessons are Forest School, PE and Maths.”

“You can do different clubs to play your instruments. I play in ‘Stringendo’ with seniors, that’s why I got to perform at Beaulieu Abbey.”

“I love Ballard because we get to do lots of sport and I love the Maths.”

“I have learnt to play the clarinet and ran at the ISA regional athletics.”

“It’s got great opportunities – loads of lovely people and teachers and good education and extra help if you need it.”

“I really love Maths and they have extra clubs after school like reasoning, so if you like being challenged they have clubs for that. The after-school clubs are amazing I can’t name them all, but I do reasoning; hockey; rugby; philosophy and tennis.”
