Recruitment, Selection and Disclosures Policy & Procedure

1. INTRODUCTION

Ballard School (“the School”) is committed to ensuring the best possible environment for the children and young people in its care. Safeguarding and promoting the welfare of children and young people is our highest priority.

The School aims to recruit staff that share and understand our commitment and to ensure that no job applicant is treated unfairly by reason of a protected characteristic as defined within the Equality Act 2010.

All queries on the School’s Application Form and recruitment process must be directed to the Bursar or Headmaster’s PA.

An entry will be made on the Single Central Register for all current members of staff at the School, the governing body and all individuals who work in regular contact with children including volunteers, supply staff and those employed as third parties.

The Chair of Governors of Ballard School, as the person holding ultimate responsibility, as declared to the DfE is Mr Peter Goodfellow. The Headmaster of Ballard School is Mr Andrew McCleave.

All checks will be made in advance of appointment or as soon as practicable after appointment.

2. SCOPE OF THIS POLICY

The Recruitment, Selection and Disclosures Policy and Procedure herewith refers and applies to

1. Staff directly recruited and employed by the School. In the Education (Independent Schools Standards) (England) Regulations 2014, staff are defined as:
Any person working at the School whether under a contract of employment, under a contract for services or otherwise than under a contract but does not include supply staff or a volunteer.
2. Volunteers who will undergo the same level of pre-appointment checking as Staff if working in Regulated Activity - [See Section 15](#)^[an1]
3. Self Employed workers working under a contract to the School who will undergo the same level of pre-appointment checking as Staff – *See Section 14*
4. Agency or contract workers for whom, the School shall obtain written confirmation from the agency or company that it has carried out the appropriate checks - *See Section 13*
5. Senior Managers will undergo the same level of checking as Staff and in addition it will be verified that they have not been disqualified from acting in senior management positions within a charity. Whether an individual falls into the category of a senior management position is judged using the following criteria:

- A person who is accountable only to the Governors, and who carries overall responsibility for the day-to-day management and control of the charity. At Ballard School this would be the Headmaster.
- A person who is accountable only to the Governors, and who carries overall responsibility for the day-to-day management and control of the charity's finances. At Ballard School this would be the Bursar.
- A person who is accountable only to the Headmaster or the Governors, and who is responsible for the overall management and control of the charity's finances. At Ballard School this would be the Bursar.

Being disqualified means that a person cannot take on or stay in a senior management position, even on an interim basis, unless the Charity Commission has removed (or waived) the disqualification.

6. Governors will undergo the same level of checking as Staff

An overview of the School's Safeguarding Checks is given at Appendix 1

3. APPLICATION FORM

The School will only accept applications from candidates completing the relevant Application Form in full. CVs will not be accepted in substitution for completed Application Forms, but may be provided only as additional information.

The School will make candidates aware that all posts in the School involve some degree of responsibility for safeguarding children, although the extent of that responsibility will vary according to the nature of the post. Candidates for employed posts will receive a Job Description and Person Specification for the role applied for.

As part of their application, candidates will be asked to complete a self-declaration of a criminal record or information that would make them unsuitable to work with children, to give candidates the opportunity to discuss their disclosure.

All candidates should be aware that provision of false information is an offence and could result in the application being rejected or summary dismissal by the School if they have been appointed, and a possible referral to the police and/or DBS.

4. REFERENCES

The School will seek the references referred to in Section 7 for shortlisted candidates (including internal applicants) and may approach previous employers for information to verify particular experience or qualifications, before interview.

If the candidate does not wish the School to take up the reference from their current employer in advance of the interview, they should notify the School at the time of applying. The School would not expect this typically in the case of an application for a Teaching position and good reasons would need to be supplied. In this case, if the candidate is the preferred candidate for the post, the reference from the current employer will be taken up at the earliest opportunity and certainly before the appointment is confirmed. If any questions or inconsistencies arise from the reference, these will be discussed with the candidate and resolved before the appointment is confirmed; in these situations, the School may invite the candidate for a further interview before confirming the appointment.

One of the references must be from the applicant's current or most recent employer. References must be received by a senior person with appropriate authority. References for teachers must come from their current

or most recent Headteacher, unless this is the teacher's first appointment in teaching, in which case the reference must come from the Head of the teacher's placement school.

The School will ask all referees if the candidate is suitable to work with children.

The School has a legal duty under section 26 of the Counter-Terrorism and Security Act 2015 to have 'due regard to the need to prevent people from being drawn into terrorism'. This is known as the Prevent duty. Schools are required to assess the risk of children being drawn into terrorism, including support for extremist ideas that are part of terrorist ideology. Accordingly, as part of the recruitment process, when an offer is made the offer will be subject to a Prevent duty risk assessment. Guidance from the DfE can be found at:

https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/439598/prevent-duty-departmental-advice-v6.pdf

If the candidate is currently working with children, on either a paid or voluntary basis, the School will ask their current employer about disciplinary offences, including disciplinary offences relating to children or young persons (whether the disciplinary sanction is current or time expired), and whether the candidate has been the subject of any child protection allegations or concerns and if so the outcome of any enquiry or disciplinary procedure.

If the candidate is not currently working with children, but has done so in the past, the School will ask the previous employer about those issues. Where neither the current nor previous employment has involved working with children, the School will still ask the current employer about the candidate's suitability to work with children. Where the candidate has no previous employment history, the School may request character references which may include references from the candidate's school or university.

The School will only accept references obtained directly from the referee and it will not rely on references or testimonials provided by the applicant or on open references or testimonials. The School will verify all references. Where references are received electronically, the School will ensure they originate from a legitimate source.

The School will compare any information provided by the referee with that provided by the candidate on the Application Form. Any inconsistencies will be discussed with the candidate.

As part of the referencing process, the School will undertake a digital screening, including online searches of candidates and any potential matters of concern will be discussed with the candidate.

5. SELECTION PROCESS

The School will shortlist applicants according to the relevance and applicability of their professional attributes and personal qualities to the role. Short-listed applicants will then be invited to attend a formal interview at which his/her relevant skills and experience will be discussed in more detail.

Candidates with a disability who are invited to interview should inform the School of any necessary reasonable adjustments or arrangements to assist them in attending the interview.

All formal interviews will have a panel of at least two people chaired by the Headmaster, Bursar or another member of the Leadership Team. In line with recommended best practice, the School will ensure that at least one person on the appointment panel will have undertaken safer recruitment training. The Chair of Governors should chair the panel for the Bursar's/Head's appointment.

The interviewers involved will be required to state any prior personal relationship or knowledge of any of the candidates and a judgement will be made by the Chair as to whether or not an interviewer should withdraw from the panel. Should the Chair have a conflict of interest, the Chair of F&GP or Chair of Education Committee shall decide whether the Chair should withdraw from the panel.

The interview will be conducted in person unless unusual circumstances make this impossible (e.g. an applicant from outside the UK) and the areas which it will explore will include suitability to work with children. Other forms of selection assessment may be used, such as a teacher being asked to teach a sample lesson or a member of the Bursary Team being asked to undertake a numeric exercise.

Checks will be made of previous employment history to ascertain satisfactory reasons for any gaps in employment. These checks will then be checked against references and any discrepancies discussed with the candidate.

Interview notes will be taken, particularly in relation to the applicant's suitability to work with children and their knowledge of safeguarding. These will be retained on the employment record of the successful applicant.

6. DOCUMENTS TO BRING TO INTERVIEW

All candidates invited to interview must bring documents confirming any educational and professional qualifications that are necessary or relevant for the post (e.g. the original or certified copy of certificates, diplomas etc). Where originals or certified copies are not available for the successful candidate, written confirmation of the relevant qualifications must be obtained by the candidate from the awarding body.

The School requests that all candidates invited to interview bring with them, for pre-employment and safer recruitment checks:

- A current driving licence including a photograph;
- A passport;
- A full birth certificate;
- Where appropriate, any documentation evidencing a change of name (e.g., marriage certificate, adoption certificate, deed poll documentation);
- A Council Tax bill for the current year or utility bill or financial statement issued within the last three months, showing the candidate's current name and address;
- If a candidate has worked or lived overseas in the past 10 years, a police certificate / certificate of good conduct documentation; and
- Where applicable, proof of entitlement to work and reside in the UK.

Please note that originals of the above are necessary. Photocopies or certified copies are not sufficient. Candidates should notify the School immediately if they are experiencing any issues with providing any of the above information. The School may be able to initiate right to work checks on the basis of scanned images and live video links.

7. CONDITIONAL OFFER OF APPOINTMENT: PRE-APPOINTMENT CHECKS

Any offer to a successful candidate will be conditional upon:

1. Receipt of at least two satisfactory references (if these have not already been received);
2. Verification of identity and qualifications including, where appropriate, evidence of the right to work in the UK (if not already received);
3. A satisfactory enhanced DBS check and successful overseas checks, where applicable; *see Section 8*

4. If appropriate, a check of the Barred List maintained by the DBS;
5. For a candidate to be employed as a teacher, a check that that the candidate is not subject to a prohibition order issued by the Secretary of State or any sanction or restriction imposed (that remains current) by the historic General Teaching Council for England before its abolition in March 2012. Teaching work is defined in The Teachers’ Disciplinary (England) Regulations 2012 to encompass:
 - Planning and preparing lessons and courses for pupils;
 - Delivering and preparing lessons to pupils;
 - Assessing the development, progress and attainment of pupils; and
 - Reporting on the development, progress and attainment of pupils;
6. Verification of professional qualifications, including Qualified Teacher Status, where appropriate;
7. Verification of successful completion of statutory induction period (for teaching posts – applies to those who obtained QTS after 7 May 1999);
8. Evidence of satisfactory medical fitness; *see section 9*
9. Staff are required to complete and sign the Childcare Disqualification Requirements self-declaration form. This will be held on the employee personnel file; *see section 10*
10. For a candidate to be employed into a senior management position as set out above under “Scope of this Policy”, receipt of a signed “senior charity manager positions: automatic disqualification declaration” confirming that the candidate is not disqualified from acting in a senior management position for a charity in accordance with the automatic disqualification rules for charities;
11. Where the successful candidate will be taking part in the management of the school, a check will be carried out under section 128 of the Independent Educational Provision in England (Prohibition on Participation in Management) Regulations 2014. This applies to all Governors, Senior Management Team and teaching heads of department. *see Section 11*

8. INDIVIDUALS WHO HAVE LIVED OR WORKED OUTSIDE THE UK

Individuals who have lived or worked outside the UK since the age of 18 will undergo the same checks as all other staff in School. This includes obtaining an enhanced DBS certificate (including barred list information, for those who will be engaging in regulated activity) even if the individual has never been to the UK.

The School will make further checks so that any relevant events that occurred outside the UK can be considered. These checks include, where available:

- criminal records checks for overseas applicants;
- For teaching positions, a letter of professional standing from the professional regulating authority in the country in which the applicant has worked.

Advice about which regulatory or professional body applicants should contact is available from the National Recognition Information Centre for the United Kingdom, UK NARIC.

Where available, such evidence will be considered together with information obtained through other pre-appointment checks to help assess candidate suitability. Where this information is not available the School

may seek alternative methods of checking suitability and undertake a risk assessment that supports informed decision making on whether to proceed with the appointment.

Although sanctions and restrictions imposed by another regulating authority do not prevent a person from taking up teaching positions in England, the School will consider the circumstances that led to the restriction or sanction being imposed when considering a candidate's suitability for employment.

9. MEDICAL CHECKS

It is the School's practice that a successful candidate must complete a pre-employment health questionnaire. The information contained in the questionnaire will then be held by the School in strictest confidence and processed in accordance with the Recruitment Privacy Notice and Data Protection Policy. This information will be reviewed against the Job Description and the Person Specification for the particular role, together with details of any other physical or mental requirements of the role i.e. proposed workload, co-curricular activities, and/or layout of the School.

The School is aware of its duties under the Equality Act 2010. No job offer will be withdrawn without first consulting with the applicant, considering medical evidence and considering reasonable adjustments.

10. DISQUALIFICATION UNDER THE CHILDCARE ACT

The statutory guidance "Disqualification under the Childcare Act 2006 (July 2018)" applies to those providing early years childcare or later years childcare, including before school and after school clubs, to children who have not attained the age of 8 AND to those who are directly concerned in the management of that childcare.

The School takes its responsibility to safeguard children very seriously and any staff member and/or successful candidate who is aware of anything that may affect his/her suitability to work with children must notify the Headmaster immediately. This will include notification of any convictions, cautions, court orders, reprimands or warnings he/she may receive.

Staff and/or successful candidates who are disqualified from childcare or registration may apply to Ofsted for a waiver of disqualification. Such individuals may not be employed in the areas from which they are disqualified, or involved in the management of those settings, unless and until such waiver is confirmed. Please speak to the Headmaster or the Bursar for more details.

11. RESTRICTIONS ON MANAGEMENT OF A SCHOOL

A Section 128 direction prohibits or restricts a person from taking part in the management of the School.

The School will undertake a Section 128 direction check on all individuals who take part in the management of the School. This includes the Governors, the Headmaster, the Bursar, the Leadership Team, Senior Management Team and Heads of Department. This will be recorded on the Single Central Register.

12. CRIMINAL RECORDS POLICY

The School will refer to the Department for Education ("DfE") document, 'Keeping Children Safe in Education' and any amended version in carrying out the necessary required DBS checks.

The School complies with the provisions of the DBS Code of Practice, a copy of which may be obtained on request, or accessed here:

<https://www.gov.uk/government/publications/dbs-code-of-practice>

a. Checks from another educational institution

There are limited circumstances where the school will accept a check from another educational institution which are as follows:

This is where the new member of staff (“M”) has worked in: –

- i. A school or a maintained school in England in a position which brought M regularly into contact with children or young persons;
- ii. A maintained school in England in a position to which M was appointed on or after May 2006 and which did not bring M regularly into contact with children or young persons; or
- iii. An institution within the further education sector in England or in a 16 to 19 Academy in a position which involved the provision of education or which brought M regularly into contact with children or young persons, during a period which ended not more than three months before M’s appointment.

In these circumstances the School may apply for a disclosure, but is not required to do so. A new, separate barred list check will be obtained.

b. DBS Update Service

Where an applicant subscribes to the DBS Update Service, the applicant must give consent to the School to check there have not been changes since the issue of a disclosure certificate. A barred list check will still be required.

c. TUPE Transfers

Any staff who TUPE transfer into the School's staff will be required to undertake all the statutory requirements with regard to safer recruitment checks.

If staff are transferred under TUPE (gap of three months or less and information complete), information will be passed to the new employer and a note made on the Single Central Register that details have been accepted under TUPE.

d. Delayed Disclosure

If the DBS has result has not been provided prior to the Staff member starting regulated activity, the Headmaster may allow the member of staff to commence work:

- After a satisfactory check of the barred list, if the person will be working in regulated activity and all other relevant checks (including any appropriate prohibition checks) having been completed satisfactorily;
- Provided that the DBS application has been made in advance;
- With appropriate safeguards taken following a written Risk Assessment, which will always require the staff member to be supervised and a red visitors lanyard to be worn;
- Safeguards reviewed at least every two weeks by the Head/Bursar and member of staff;
- The person in question is informed what these safeguards are; and
- A note is added to the Single Central Register and evidence kept of the measures put in place.

e. **Casual Workers**

When first recruited, workers who are not contracted for regular hours will undergo the same recruitment process as members of Staff. Such workers will be required to join the DBS Update Service. If the worker has not undertaken regulated activity for the School for 90 days or more, a check will be undertaken on the DBS service prior to them undertaking any work to determine if any changes have occurred since their last period of work

13. **CONTRACTORS**

Under no circumstances will a contractor in respect of whom no checks have been obtained be allowed to work unsupervised, or engage in regulated activity. The School will determine the appropriate level of supervision depending on the circumstances. All contractors who have not demonstrated that they have a current enhanced DBS check will be supervised at all times

The School conducts identity checks on agency and contract workers on arrival in School and, in the case of agency workers which includes supply staff, the School must be provided with a copy of the DBS check for such staff.

For Contractors (and Supply Staff) in regulated activity: The School will check with the relevant supply agency or contract company that the required checks have been carried out to the same standards and requirements as the school's Staff. The Single Central Register will show that these checks have been made and the School carries out its own identity check and has seen a copy of the disclosure (whether or not it discloses any information).

For Contractors not in regulated activity but with regular contact with children: An enhanced DBS check (not including barred list information) is required. In considering whether the contact is regular, it is irrelevant whether the contractor works on a single site or across a number of sites.

14. **SELF EMPLOYED**

If an individual working at the School is self-employed, the School will require them to undergo the same level of pre-appointment checking as Staff Members before they commence regulated activity.

15. **VOLUNTEERS**

Under no circumstances will a volunteer in respect of whom no checks have been obtained be left unsupervised or allowed to work in regulated activity.

a. **Volunteers in Unregulated Activity**

The School may undertake a risk assessment, using professional judgement and experience to decide whether to obtain pre-appointment checks, including an enhanced DBS certificate for any volunteer not engaging in regulated activity. In doing so the School will consider:

- the nature of the work with children;
- what the establishment knows about the volunteer, including formal or informal information offered by staff, parents and other volunteers;
- whether the volunteer has other employment or undertakes voluntary activities where referees can advise on suitability;
- whether the role is eligible for an enhanced DBS check. Details of the risk assessment should be recorded.

The School will determine whether a volunteer is considered to be supervised. In making this decision, and where an individual is supervised, to help determine the appropriate level of supervision the School will have regard to the statutory guidance issued by the Secretary of State which requires that, for a person to be considered supervised, the supervision must be:

- by a person who is in regulated activity
- regular and day to day;
- reasonable in all the circumstances to ensure the protection of children

The School is not legally permitted to request barred list information on a supervised volunteer as they are not considered to be engaged in regulated activity.

b. Volunteers in Regulated Activity

Volunteers who, on an unsupervised basis teach or look after children regularly, or provide personal care on a one-off basis, will be in regulated activity. The School will therefore ensure that prior to undertaking any regulated activity the volunteer has undergone the same level of pre-appointment checking as staff members.

For existing volunteers who are in regulated activity, the School may conduct a repeat DBS check (which includes barred list information) on any such volunteer at the School's discretion. The Update Service will be checked for all volunteers who have subscribed to this service.

16. VISITORS

The School does not have the power to request DBS checks and barred list checks for visitors not in regulated activity (for example children's relatives or other visitors attending a sports day). The Headmaster will use professional judgment about the need to escort or supervise visitors. Visitors in regulated activity will be asked to provide details of their DBS status and, if applicable, the Update Service will be checked.

17. RETENTION, SECURITY OF RECORDS AND DATA PROTECTION OBLIGATIONS

The School will comply with its obligations regarding the retention and security of records in accordance with the DBS Code of Practice and its obligations under its Data Protection Policy.

The School will comply with its data protection obligations in respect of the processing of criminal records information. More information on this is included in the Recruitment Privacy Notice and the Data Protection Policy.

18. RECRUITMENT OF EX-OFFENDERS

The School will not unfairly discriminate against any candidate for employment on the basis of conviction or other details revealed. The School makes appointment decisions on the basis of merit and ability. If an individual has a criminal record this will not automatically bar him/her from employment within the School. Instead, each case will be decided on its merits in accordance with the objective assessment criteria set out below.

All candidates should be aware that provision of false information is an offence and could result in the application being rejected or summary dismissal if they have been appointed, and a possible referral to the police and/or DBS.

Under the relevant legislation, it is unlawful for the School to employ anyone who is included on the lists maintained by the DBS of individuals who are considered unsuitable to work with children. In addition, it will also be unlawful for the School to employ anyone who is the subject of a disqualifying order made on being convicted or charged with the following offences against children: murder, manslaughter, rape, other serious sexual offences, grievous bodily harm or other serious acts of violence. It is also unlawful for the School to knowingly employ someone who works in the relevant settings and is disqualified from providing childcare under the statutory guidance “Disqualification under the Childcare Act 2006 (July 2018)”.

It is a criminal offence for any person who is disqualified from working with children to attempt to apply for a position within the School. The School will report the matter to the Police and/or the DBS if:

- the School receives an application from a disqualified person;
- is provided with false information in, or in support of, an applicant's application; or
- the School has serious concerns about an applicant's suitability to work with children.

In the event that relevant information (whether in relation to previous convictions or otherwise) is volunteered by an applicant during the recruitment process or obtained through a disclosure check, the School will consider the following factors before reaching a recruitment decision:

- whether the conviction or other matter revealed is relevant to the position in question;
- whether the conviction or caution is 'protected' as defined by the Rehabilitation of Offenders Act 1974 (Exceptions) Order 1975 (Amendment) (England and Wales) Order 2020 (if yes, it will not be taken into account);
- the seriousness of any offence or other matter revealed;
- the length of time since the offence or other matter occurred;
- whether the applicant has a pattern of offending behaviour or other relevant matters;
- whether the applicant's circumstances have changed since the offending behaviour or other relevant matters;
- in the case of disqualification from providing childcare, whether the applicant has or is able to obtain an Ofsted waiver from disqualification; and
- the circumstances surrounding the offence and the explanation(s) offered by the convicted person.

If the post involves regular contact with children, it is the School's normal policy to consider it a high risk to employ anyone who has been convicted at any time of any the following offences: murder, manslaughter, rape, other serious sexual offences, grievous bodily harm or other serious acts of violence, serious class A drug related offences, robbery, burglary, theft, deception or fraud.

If the post involves access to money or budget responsibility, it is the School's normal policy to consider it a high risk to employ anyone who has been convicted at any time of robbery, burglary, theft, deception or fraud.

If the post involves some driving responsibilities, it is the School's normal policy to consider it a high risk to employ anyone who has been convicted of drink driving.
