

Ballard School Fee Schedule 2026/2027

Ballard School committed to absorbing the full parental liability of 20% on school fees for the Spring and Summer Terms 2025, following the introduction of VAT to independent school fees. The decision was made to support our local community and allow fee payers the time to adjust and prepare for the changes. Additionally, the Board of Governors decided to allocate significant reserves to address the VAT liability through a phased approach over the coming years, a decision they continue to uphold. They committed to paying 14% of the VAT for the school academic year 2025/2026. For the academic year 2026/7, the school will be paying 8% of the VAT liability.

Fees are calculated on an annual basis and divided into three equal segments to equate to three terms in a school year. They are payable termly on or before the first day of term.
